The 1955 GENERAL ANNUAL

As we seniors walk down the aisle to the strains of "Pomp and Circumstance," the thought uppermost in our minds is that we have reached a milestone in our lives—graduation. With graduation comes reminiscing.

Many of us have kept diaries from day to day to which we may refer in years to come. Let this be a diary of the most wonderful years of our lives—our high school years. Here are recorded the pleasant experiences we have had in our four glorious years at Wooster High. Here are pictured the faces of our friends and the many activities we were privileged to participate in.

In future years we shall glance through the pages of "our diary" and smile knowingly as the pleasant memories of our high school days appear before us.

MR. H. DON SCOTT

OUR PRINCIPAL

"This is the finest student body that I have ever worked with." These are the words expressed by our principal, Mr. H. Don Scott. He is particularly impressed with the excellent spirit which is evident this year in both the student body and the faculty.

There has been a special bond between Mr. Scott and the Class of 1955, for Mr. Scott became principal of the high school the year this class entered as freshmen.

As a friend and counselor, Mr. Scott thoroughly enjoys working with young people in helping them select their careers. The satisfaction of seeing young people develop into fine American citizens is the reward for such guidance. In the words of Henry Adams: "A teacher affects eternity; he can never tell where his influence stops."

OUR SUPERINTENDENT

"You will have to look a long time to find such a fine student body and faculty as is present at Wooster High School." These words express Mr. D. P. Bodenbender's feelings toward Wooster High.

Our Superintendent points out the fact that Wooster High School has, for a long time, been consistantly high in scholarship. Most of our graduates encounter but little trouble in college work. We are known across the state as being one of the outstanding speech schools in the country, strong in music and dramatics, and with a very well-balanced intramural and athletic program.

As head of our school system, Mr. Bodenbender is proud to be associated with such a splendid student body and faculty.

THE BOARD OF EDUCATION

Building is the uppermost thought in the minds of our Board of Education. A $1,500,000 bond levy was passed in the November election by almost a 2 to 1 majority. The bonds were advertised to sell on January 18, 1955, and sold at a very reasonable interest rate, namely, 2.31 per cent.

As a result of the passing of the bond levy, Wooster High School will have rather a complete renovation. We will get a new set of shops, a gymnasium, a new science department, a remodeled auditorium, as well as a new lighting system. However, the Board's first step is to take care of the elementary pupils. Four projects will be put underway simultaneously. These will be: a four-room addition to Beall Avenue School, a three-room addition to Pittsburgh Avenue School, a seven-room new building on the high school site, and a ten-room building on the new site on Park Avenue. This work is getting well underway.

In connection with the new building plans, the Board has visited many schools throughout Ohio and in Pennsylvania to see new buildings, studying all types of construction, heating plants, and ventilating systems. They have held several meetings with our school architect, Mr. Huff, to work out the necessary detail for each of the projects.

At this writing, plans are being made for the Board of Education to attend the annual National School Board and Superintendents' Convention at Cleveland. Here the Board will have an opportunity to see exhibits and study the latest in all types of school furniture and equipment. Plans are also being laid to attend an all-day meeting at Nela Park to study lighting.

With the future of the students in mind, the Board of Education is always willing to listen to new and better ideas. We are indeed fortunate to have such a fine Board of Education.

THE CLASS HISTORY

Sitting before an open fire in a reminiscing mood tonight, I keep thinking about the old gang back in Wooster High. What a class! They were really one swell bunch of kids. I haven't thought about some of them for years. I'll never forget Jack Rhodes and his hot "rockets." Or Larry Martin and his bright red pants. Been looking through some old annuals, too, and I found some interesting items there . . . . .

FRESHMAN YEAR

Well, we're in High School at last. I thought I'd never make it. This was the year that we could start to go to High School dances and assemblies. I'll never forget the "Confederate Ball" sponsored by the Class of '54. At that time the little Confererate hats were in fad and it really looked as if the South were going to rise again. Thinking about some of the teachers we had, I don't think that anyone will forget Mr. Dodez in algebra or Miss King in English.

SOPHOMORE YEAR

This was the year for the full organization of our class. During the early months of the school year we elected our first class officers. Our class prexy was Chuck Finn; vice-president was Carl Fritz. And let's see, Nancee Johnson was our secretary-treasurer, and Nancy Schaum and

STUDENT COUNCIL

The Student Council is the representative body of the high school. Each home room from the seventh grade through the junior class elects one member and an alternate to the council; the larger senior home rooms elect three regular members each.

The purpose of the organization is to discuss and act on problems presented to it by the students and faculty.

The Student Council again this year carried on the monitor system in the halls during the lunch hours with the addition of a roving monitor in the Junior High section. The council was also responsible for the promotion and sale of the Student Activity Tickets. The council managed the annual magazine sale. Other services performed by the Student Council were the Xmas decorations for the main entrance; sponsoring Mom and Dad night at the basketball game; and the March of Dimes assembly.

Social activities of the Council this year included two bake sales, attendance at a hockey game, and visitation of other schools to see how their student councils operate.

NATIONAL HONOR SOCIETY

One of the most respected clubs is that of National Honor Society. It is an honorary organization for those who have achieved recognition in the fields of scholarship, leadership, and service. The student must be active in extra-curricular events as a leader, and scholastically, he must be in the upper third of his class. He is also judged on service and character by a vote of the faculty and students.

Of each class, fifteen per cent are admitted. Five per cent are inducted in the junior year; the remaining ten per cent, in the senior year.

The beautiful candlelight induction service is held in April. New members are told of the high ideals of the society and are challenged to strive toward these goals.

GENERAL STAFF

With sixteen issues off the press the eighteenth year of publication for the GENERAL came to an end.

Special editions included the traditional Welcome Back paper, which was handed to the students on the first day of school, plus the big six-page Christmas issue.

Co-business managers as well as co-editors headed this year's staff. In addition to its regular duties, the staff assisted the Student Council with the fall Student Activity Ticket Drive and handled the elections for homecoming and track queens.

Copies of the paper were sent to Columbia Scholastic Press and the National Scholastic Press for judging. Press representatives attended and competed in the Northeastern Ohio Scholastic Conference at Kent in April.

SENIOR HI-Y

Services performed for the school and community have been the highlights of the Senior Hi-Y during its three years in the Hi-Y clubs. As sophomores, members sold football ribbons and shirts and scarves carrying the school emblem. Money has been donated to the different charity drives of Wooster. Each Thanksgiving, meat and other food were contributed to the baskets given to needy families in this vicinity. The boys also worked at the concession stands during the home football and basketball games.

Some of the social events of the club included skating parties, smorgasbords, and the annual Mother-Son banquets.

SENIOR CHOIR

The Senior Choir made its first public appearance of the year at the annual Christmas Sing. Shirley Beam, Bill Parker, and Lucius Ellsworth sang the traditional solos. Judy Young sang the incidental solo in THERE WERE SHEPHERDS.

Numbers featured on the spring concert, April 15, were THE WOODCHUCK SONG, MASTER OF HUMAN DESTINIES, HIT THE ROAD TO DREAMLAND, A MIGHTY FORTRESS IS OUR GOD.

The choir traveled to Dover in January to the annual Choir Clinic. Mr. Don Craig, trainer of the Fred Waring Radio Glee Club, was the guest conductor and critic.

The North Canton High School choir was featured at an assembly here, and on May 3, Wooster High School's choir gave a program at an assembly in North Canton.

Five ensembles were formed from members of the choir: one boys, two girls, and two mixed. These groups represented the choir at the music contests.

The choir completed its year by furnishing special music at Commmencement and Baccalaureate.

ORCHESTRA

The Wooster High School Orchestra completed a busy year. Under the direction of Mr. Walter Kehres, it played for the spring play, baccalaureate services, commencement, and accompanied the choir in two numbers in its concert. The orchestra concert was held April 1. Highlighted numbers on the program were "Espana" by Chabrier and Beethoven's "First Symphony." This group was well represented at the regional and all-state orchestras held earlier in the year.

N. F. L.

The 1954-55 N.F.L. season has been one worthy of note. This year six students entered the state speech tournament in Columbus. For the fourth consecutive year, Wooster sent a debate team to the state finals. Also, one Wooster High student qualified for national speech competition in June at San Jose, California. Gracie Beers qualified for this national tournament in original oratory.

Another event this year in the N.F.L. chapter was a banquet held on March 28. Guests at the banquet were business men and their wives who were donors to the N.F.L. transportation fund.

This year the chapter was enlarged by the addition of fourteen new members. Thirteen of these are freshmen. Prospects for next year are good in view of the fact that only a few students will be graduated this spring.

LE CERCLE FRANCAIS

The French Club began the year with a combined Spanish-French Club picnic in the city park. At the next meeting Betty Smyth, a former member, entertained the club with the colored slides she had taken during her summer in France. A Christmas party with the Spanish Club, a dinner with an out-of-town French Club, and a meeting at the home of Mary Cook with Francoise Mazet from the College of Wooster giving the program were among the other highlights of the year. The final meeting was a farewell picnic for the seniors.

SOCIOS ESPANOLES

As tradition dictates, the Spanish Club got together with the Frenchmen at the city park to devour a smorgasbord of the best American food ever found in Wooster.

Taking leave of daily sessions, the Spanish students celebrated Christmas with food, fun, and a pinata!

To highlight the year's activities the Spanish and French Club juniors bid "adios" to the seniors with a fiesta in the city park.

IUVENES ROMANI

The first year Latin Club of seventy members was organized in October. From a number of names submitted, the members voted to adopt Iuvenes Romani, which may be interpreted as Young Romans.

Business meetings were held monthly followed by a program and social times. The Christ-mas party featured a reading by Jennie Yoder and the singing of Christmas carols in Latin. Other programs included other songs sung in Latin, skits illustrating different aspects of Roman life, and a guest speaker. The final meeting of the year was a *symbola sub jove*.

Projects of F T A include grading papers, taking class attendance, selling book covers, ushering at various school activities, and observing and teaching in the elementary schools for two half days.

Delegates from the club attended the N E O T A convention in Cleveland in the fall as ushers.

D E C A

The 1954-55 D E C A Club carried out many successful projects during the school year. The Regional convention at Kent State University was attended by nineteen of the twenty members. Two representatives, plus other members, attended the State Convention at Columbus in February.

Several cupcake sales were sponsored to raise funds as well as running a concession stand at two of the football games, selling Wooster "Generals" decals, and collecting tax stamps.

Club parties and dances were enjoyed on several occasions. Members had a Christmas party for the Children's home. Climax of the social year was the employers' appreciation banquet held in the spring in honor of Wooster Merchants participating in the distributive education program.

F H A

The Wooster Chapter of the Future Homemakers of America is a member of the state and national FHA organizations. The purposes are to promote an appreciation of the joys and satisfactions of homemaking; to emphasize the importance of democracy and creative leadership in home and community life; to promote international good will; to provide wholesome individual and group recreation; and to further interest in home economics.

The requirement for membership is at least one year of home economics in high school.

The Wooster Chapter was host to the Bi-County Rally held in November. As a project, a Hobo Day was held. The FFA boys were entertained at the annual Christmas party. The girls planned an assembly featuring Scott Morrison, which was held in March. The climax of the year was a mother-daughter tea and formal installation of next year's officers.

This year the Wooster Chapter of the Future Farmers of America has been well represented at various conventions. Four members were sent to the national convention at Kansas City, Missouri, and five boys attended an FFA camp. Five judging teams were sent to the state convention held at Columbus.

Among those receiving special honors this year were John Martin, who received the degree of state farmer; Don Rhamy, who tied for first place in the county in the extemporaneous public speaking contest. The club received the gold award for their state fair booth exhibit and the silver award in the parliamentary procedure contest. Two heifers, awarded annually by the chapter, were won by Eugene Tyler and Charles Jentes. Warren Briggs was elected to a district office.

John Conaton (29) and Dick Schafrath (33), co-captains for the Ashland game, receive the American Legion Trophy from Wooster Legionnaires Jim Austen and Don Aber. The trophy was donated by the Ashland and Wooster Legion Posts and will be given "for keeps" to the team that wins it three times. A 21-13 victory over the Arrows gave the Generals a good start in the campaign to keep the trophy in Wooster.

VARSITY FOOTBALL

After a slow start of one win and four losses, the Wooster Generals made a spectacular finish with five straight wins. This year's team, under head coach Gene Coleman, assistant coaches Victor McIntire and Ed Kane, had twenty-four seniors out for football. This number—the most seniors ever to report for varsity football—shows an increase of interest in the sports program.

The first game was lost to a fast-starting Dover team by a score of 32-12, but the following week the Generals bounced back with an impressive score of 47-0 over Canton South.

Although the Generals played commendable football, they lost their next three games to worthy opponents. These defeats were Berea 26-12, Ravenna 7-6, and Canton Lehman 19-6.

The following week the Blue and Gold started their comeback by beating Ashland 21-13.

On Mother and Fathers' night the team beat a hard-fighting Akron Buchtel eleven by a score of 27-13.

Wooster continued its winning streak by trouncing Mount Vernon 41-6 on November 5.

The following week the Generals and Orrville Red Riders continued their traditional rivalry with a thrilling homecoming game. Wooster edged Orrville in this contest by a score of 13-12.

In the final game of the season the well-balanced Wooster squad swamped Coshocton 40-7.

Although this year's team will graduate some valuable players, the ability of their replacements look very promising. The 1955 season should be a successful one.

Reserves

(continued from ninety-five)

The Wooster junior varsity had a very impressive season by winning five, losing one, and tying one.

They won their opening game against Mansfield Johnny Appleseed by a score of 27-6. This was followed by two very hard fought games. The first was a 7-7 tie with Mansfield Simpson and the latter a 13-12 win over Ashland.

Their next game was their one and only loss of the season, which came when Barberton beat them 13-0.

The final three games of the season saw the future Generals beating Seville 14-7, Coshocton 34-6, and Loudonville 41-13.

With this commendable record, the future varsity should have some very capable replacements.

THE COLONELS

(continued from page ninety-five)

This year's Junior High football team, coached by Mr. Zuercher and Mr. McCoy, was handicapped by inexperience since many of the boys were eighth graders. The Colonels lost their four games.

With a few more years of experience they should develop into a sound football team.

Losses were to Coshocton 12-7, New Philadelphia 32-6, Canton Timken 7-6, and a second game with Coshocton 18-12.

Seventh and Eighth Grade Touch Football

A new type of football was started in Junior High this year. It was a touch football league composed of three teams. The teams were the Cruel Hawks, with a record of three wins and one loss; the Panthers, with a 3-1 record; and the Fighting Irish, with four losses. Mr. James Byrd was the coach. The season ended with a tie, and the playoff game resulted in the Cruel Hawks winning the league by a score of 14-0.

The season was climaxed with a game between the grade school all-stars and the winning Cruel Hawks. The Hawks won the game by a score of 28-0.

This year's winning team included Gene Danner, Ned Wertz, Dick Gordon, Bobby Walter, Walt Weirick, Phil Frame, and Bob Gray.

VARSITY BASKETBALL

The Wooster Generals because of a very tough schedule came out on the short end of a seventeen-game campaign. The varsity squad won only seven games. The squad was made up of six underclassmen though, which should lead to a good season next year, as most of these boys saw quite a bit of action.

Wooster scored 1079 points for an average of 63.5 points per game, while the opponents scored 1139 points for an average of 67 points per game.

The squad got as far as the district semi-finals, where they were defeated by Canton South in a very close game decided by a seven point margin, 69 to 62.

RESERVE BASKETBALL

The Wooster High Reserves composed of sophomores and juniors showed extraordinary skill, which will help the varsity team next year. The squad, coached by Coach Zane McCoy, won eight games while dropping five.

The team ended the season with a four-game winning streak, in which they outscored their opponents by 69 points.

The players scored 648 points for an average of 50 points per game. Their opponents had an average of 46 points in their thirteen games.

FRESHMAN BASKETBALL

The freshman basketball team of 1954-55 showed much skill and promise for future years. The squad gained valuable experience under the tutelage of Coach Jacque Hetrick.

The season was a successful one with six wins and five losses. The freshman team compiled a total of 428 points for an average of 39 points per game. Their opponents scored 453 points for an average of 41 points per game.

In three years with continued improvement this squad should make a fine varsity five.

Individual scoring was led by Bill Musselman with 117 points.

COLONEL BASKETBALL

Coach Al Johnson's fighting Colonels missed a perfect season by losing one game to the New Philadelphia freshmen. His team compiled an almost unbeaten record of seven wins and one loss in regular season play.

The Colonels, who had the best basketball record in the high school, lost a heartbreaker to U. L. Light in the Barberton tournament by a score of 37 to 36.

If these boys keep improving, we should have an excellent varsity squad in the future.

The high scorer for the season was Sapp with 121 points, followed closely by Tracy and Zurcher with 97 and 94 points respectively.

The Wooster tankers completed a very successful season by winning six meets and losing three.

Wooster won fourth place in the Northeastern District Meet with a total of 27 points. The following boys earned points and qualified for the state meet in Columbus: Jim Myers, Bruce Childers, Carl Fritz, Tim Johnson, Ronnie Finley, Lee Patterson, Charles Nash, Neil Ginther, Jerry Gordon, and Don Bayer.

Jim Myers scored the most points for the tankers with 62, followed closely by Carl Fritz, who had 55.

Carl Fritz set a new school record in the breast stroke with a time of 1:09.8.

The swimming team will be handicapped greatly next year by the loss of seven of the ten who qualified for the state meet.

TRACK

The Wooster thinclads face tough competition under the direction of Coach Ed Kane, as they embark on their 1955 track schedule.

Wooster has eight lettermen returning, a fact which should make this season a very successful one. These lettermen are Cy Morgan, Carl DiGiacomo, Dan Conn, Jim Zedak, Bill Strock, Louie Edmiston, Karl Diller, and John Kauffman.

Since the annual was printed before the completion of the season, we cannot be sure of the outcome of the schedule, but a successful one can well be anticipated.

As in the past the home matches will be played at the Wooster Country Club.

The annual is completed before the season g ets underway; therefore, as of now a successful season can only be anticipated.

SENIOR GAA SPORTSBOARD

The G.A.A. Sports Board consists of the four officers of G.A.A. and the eight managers of the various sports. They represent the G.A.A. in interscholastic events.

Girls who have earned 800 points in sports participation are eligible for girls "W" association. The "W" girls sponsor all the dances after the home football games including the Homecoming dance. They also sponsor a dance after the all-star basketball games and "W" initiation.

Leaders Club is composed of girls who assist the physical education instructors with their duties. Girls receive ten points toward their "W" for every six hours of leadership.

The Sports Board played volleyball at Ashland in December and was beaten. The girls then played basketball with Loudonville at Wooster in January and defeated those girls. Next played in basketball was Millersburg at Millersburg in February with another Wooster victory. In March they met Norwayne and were defeated.

QUEEN BONNIE REIGNS

Bonnie Flickinger wore Wooster High's Home-coming crown when the Generals met the Orrville Red Riders at Maurer Field in the annual clash.

Bonnie was elected by the combined votes of the upper four grades.

Composing the court for this year's home-coming festivities were seniors, Millie Conrad, escorted by Bruce Childers; and Betty Brubaker, escorted by Tom Moritz; juniors, Carol Stout, escorted by Mark Jameson; and Judy Grosjean, escorted by Larry Gamertsfelder.

Queen Bonnie was escorted and crowned by the acting co-captains, Dick Schafrath and Ray Martin, in a pre-game coronation. She was presented to the students and alumni prior to the crowning.

In addition to her role at the game, Bonnie cut the traditional Home-coming cake at the dance in the high school auditorium.

Convertibles for the Home-coming night were furnished by the Ford Company and driven by Joe Ackerman, Tony Barbera, and Gary Halderman.

CLASS PROPHECY

Hear ye! Hear ye! The Prophet of Wooster High hereby begins his annual gaze into Ye Olde Crystale Balle in order that we might gain knowledge of what professions most of us will be slaving at in the future. What sayest thou, O most noble and wise fershlugginer sooth-sayer?

"I've seen 'em come and I've seen 'em go and believe me, most of these will have to go.

"In beginning, I see—

"Dick Schafrath placing little nuts on top of candies in a candy factory.
"Nancee Johnson as a cookie cutter in an animal cracker factory.
"Jack Rhodes in Mr. Maurer's physics class beginning each sentence with, 'Technically.'
John Conaton playing a piccalo in the Philharmonic Orchestra.
"Cy Morgan selling Johnson's Wax.
"Tom Brunn canceling his subscription to the WOOSTER DAILY RECORD.
"Chuck Nash still trying to beat a freshman in swimming.
"Jim Myers being 'Conn'ed' out of freedom.
"Don Comin sweeping floors out at WWST.
"Millie Conrad and Barb Kelly teaching their children to be good cheerleaders.
"Mary Cook teaching a driver training course.
"Ned Weaver spending money right and left.
"Don Rhamy having his wife pull a plow.
"Bruce Childers still driving his Model A.
"Dave Ferrell as an understudy to William Randolph Hearst, Jr.
"Dick Grosenbaugh as an understudy to Jerry Footlick.
"Shirley Beam as a brunette.
"Tony Barbera as an organ grinder.
"Bill Mosher without his "W".
"Sue Brenner writing an 'advice to the love-lorn' column.
"Gary Plant selling elevator shoes.
"Carl Fritz hiring Gene Krupa to drum for his band.
"The boys in the Graphic Arts Department still supplying Mr. Dodez with advertising material for his general store.
"Bettie Brubaker still making like an airplane propeller with her baton.
"Gracie Beers practicing speaking with pebbles in her mouth down on a beach.
"Dave Taggart out-talking anyone in town.
"Lee Patterson settling down and getting married.
"John Brock president of the J. J. Newberry Co.
"Chuck Denlinger still cooking and selling nuts for John.
"John Owen walking.
"Carl DiGiacomo as the mascot for the Cleveland Browns.
"John Huber taking Arthur Murray's place in teaching dancing.
"Jerry Barlow drawing cartoons for Al Capp.
"Larry Martin giving up girls permanently.
"Ruby Leighty laughing at jokes with her cute little giggle.
"Dan Conn playing the tall man in a circus.
"Marjorie Drabenstott singing in the Metropolitan Opera House.
"Bonnie Flickinger still 'Queen' in the minds of the class.
"Judy Young throwing slumber parties every week-end.
"Carole Straub modeling for some big company in New York.
"Dick Ball leading his own little orchestra.
"Louie Hodgett playing Marlon Brando's part in the motorcycle movie, 'The Wild One.'
"Jim Zedak and 'Zeke' Zimmerman taking off hitch-hiking around the world. (Last time they tried it, they only got to Indiana).
"Terry Stewart practicing landings in his Olds.
"Ronald Perry still trying to distinguish the difference between the change-of-class bell and an alarm clock.
"Bev Fry dancing in a chorus line at the Latin Quarter in New York.

Well, Ye Olde Crystale Balle is clouding up, and I've run out of Windex Window cleaner, so I guess we'll just have to stop. Show me the back way out so some of these guys won't mob me. I have spoken.

Class History

(continued from page eighteen)

George Buechner were the social chairmen. As sophomores we got to put on our first class sponsored event. This was a talent show and a box social. The talent show was copied after the Arthur Godfrey and his talent scouts show. Our advisers, chosen at the election of our officers, were Miss Lucille Carroll and Mr. Donald Welsh. Our class gave contributions to the various teams, clubs, band, orchestra, and choir. The two Christian organizations of our class were the Hi-Y and Tri-Hi-Y, with Dick Danner and a cabinet of girls heading these respectively.

JUNIOR YEAR

Another year. Our class president was Lee Patterson, vice-president was Duane Stout, secretary was Sue Hinsman, treasurer was Nancee Johnson, and the social chairmen were Carl Fritz and Nancy Schaum. This was our big year, for it was the year of our Prom. We just made it over the mark in selling magazines to raise money for it. The theme for our Prom was a "Ball Room," and it went over with a big bang.

The auditorium was really a sight to see. Then after the Prom all the promenaders went to the Schine's theater and saw the preview showing of "Three Coins in the Fountain." After the show everybody went up to the Country Club for a post Prom dance. About 5:00 a.m. those that had survived the night went down to the Elk's Club for an early breakfast. By the way, Leo Hanson won $25. It was a wonderful night. It's my belief that a lot of that year's success was due to a really swell president. This year the Hi-Y and Tri-Hi-Y were headed by Dick Danner and Nancee Johnson. As I think back on that year, there is one teacher that will always stand out in my mind and that is none other than "Col." Welsh, as we fondly called him. I'll always remember how he told us that in the din of battle, he and Mr. Batdorf drove a stage up San Juan Hill, or was it Gettysburg?

SENIOR YEAR

Our last year rolled around a lot faster than some of us thought it would. Fall came and went and the football squad won 6 of 10 games, but it was a much better season than the final total shows. In the fall also our senior class officers were chosen. President was Phil Shamel, vice-president was Dick Danner, secretary was Nancee Johnson, treasurer was Bonnie Flickinger, and the social chairmen were Barbara Kelly and Chuck Finn. The class motto was "Building for Character, not for Fame;" the flower was a Red Rose. And the class colors were green and white. Our class banquet was on May 2 at Smithville. And last but not least Commencement was the evening of June 3.

Well, I guess that about winds things up, and I am pretty sure that everyone of us knows by this time that there are no days like our High School days. And so, beloved old Wooster High, the class of '55 bids you a fond farewell.

TRI-HI-Y CABINET

(continued from page fifty-six)

The Tri-Hi-Y clubs are organized for the purpose of "creating, maintaining, and extending throughout the home, school, and community high standards of Christian character." These clubs are members of the state and national organizations.

The Big-Little Sister picnic was held at the City Park to give new and prospective members a chance to get acquainted with the Tri-Hi-Y ideals and activities.

The main money-making project this fall for the clubs was selling football programs and ushering at the home football games. Also the Tri-Hi-Y clubs sponsored the annual Christmas Formal.

The members of Tri-Hi-Y planned the program for their annual Father-Daughter Banquet. The clubs on several occasions presented radio programs over the "Y" Hour on WWST.

The Tri-Hi-Y has contributed to the Red Cross, Community Chest, Christmas Seals, and various other community drives. The members of the three clubs combined for a joint meeting and went on a scavenger hunt to gather food and clothing for the Thanksgiving baskets which were given to needy families of Wooster.

Several girls represented the clubs at the summer "Y" camp at Brinkhaven and at the annual "Y" conference held at Kent State University this year in December. Through various discussions worth-while inspiration has been given to the girls, and to some extent some of the problems of today's youth have been solved.

CLASS WILL

We, the Senior Class of 1955, being of soun d mind and body, declare this to be our last will and testament by which we leave to those diligent students who follow faithfully in our footsteps all the worldly possessions that we hold so dear to our heart.

"Fuzz" Stout leaves his muscles to Sam Dellafave.

Nancee Johnson leaves the annual to next year's annual staff.

Chuck Denlinger leaves his friendship with the State Highway Patrol to Mr. Nickles.

Lee Patterson leaves with a song in his heart and girls on his mind.

Carl Fritz leaves his pool record for someone to break.

"Tiny" Conaton leaves more room in the halls.

Terry Stewart leaves to give birds competition.

Gracie Beers leaves her "silver tongue" to Chris Coolidge.

Cy Morgan leaves many presidencies to be filled.

Lynn Zimmerman leaves the upper air to Gary Fisher.

Larry Martin leaves his "rebel" flag to Colonel Welsh.

Harold Ray "flashes" out of the "picture."

Chuck Nash leaves the school to the rest of the "Kats."

Dave Ferrell leaves his Mad Comics in his locker.

Don Johnson leaves.

Dick Schafrath leaves with more letters than the alphabet.

Dick Grosenbaugh leaves his ingenuity to John Harbaugh.

John Owen leaves with his top down.

Mary Cook leaves her driving talent to Judy Grosjean.

Judy Young leaves her acting ability to Mary Ives.

Carl DiGiacomo leaves his always mispronounced name to Larry Gamertsfelder.

Leo Hanson leaves his athletic ability to John Kauffman.

Don Bayer trades his blue jeans for a pair of Navy blues.

Tom Brunn leaves his drums to Rich Weber.

Millie Conrad and Barb Kelly leave their school spirit to Pat Miller, Barb Hosmer, Judy Zimmerman, and Carol Stout.

Bill Chenevy leaves the wrestling chores to Wes Walter.

John Martin, Gary Metz, and Warren Briggs leave their farm tools and know how to the "ag" boys.

Bob Stype leaves exhaust fumes around the school.

George Robison leaves his tennis skill to Dave Bode.

Bob DiScipio leaves his hair stylist to Carl Coppola.

Jack Rhodes leaves with a bang.

Bruce Childers leaves his car to Mr. Dodez's "General Store."

Henry Gurr leaves the sound room to posterity.

Dave Taggart and Bob Schmid leave their camping equipment to the rest of the Scouts.

Neil Ginther leaves his car to Pim's, "May it rest in peace."

Pat Tyrrell leaves her horses to Judy Mairs.

To Mr. Welsh and Miss Carroll, our fine advisers, we can find no words to say what we feel in our hearts. We will do our best to live up to the fine examples that you have set for us. Thank you for your fine guidance.

We hereby dispose of our most treasured possessions.

Signed,

The Senior Class of 1955

Witnessed by,

Miss Lucille Carroll
